RS35 | ALUMINIUM SLIDING DOORS

RS35

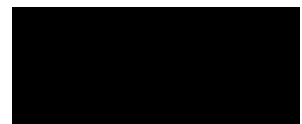

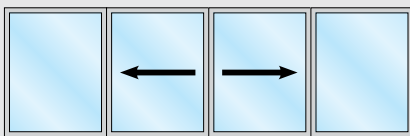

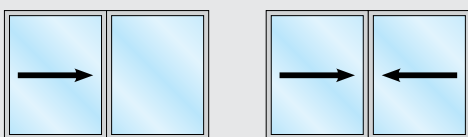

Transform the look of your property, at an affordable price with our aluminium sliding doors.

Transform the look of your property at an affordable price with our aluminium sliding doors. One of our most popular products – available in a range of sizes, configurations and colours. The RS35 sliding door offers high security multi-point locking systems, thermally broken aluminium and a choice of configurations.

- 35mm sightline for panels up to 2150mm in height*
- Factory finished
- Excellent U Values
- Low Threshold
- Fully weather rated
- Panels up to 2700mm width and 2500mm height

In addition to our sliding doors, we also offer bifold doors, windows, rooflights and entrance doors.

Popular door configurations

RAL 9005 (Black)

RAL 9016 (White)

RAL 7016 (Anthracite grey)

The above 3 colours are 3 of our more popular RAL colours. A wide range of RALs are available – some at the same cost and some at an additional cost

The RS35 is a well-engineered and reliable sliding door system that offers a minimal 35mm sightline for doors with heights up to 2150mm.

*Panels above 2150mm in height the sightline increases to 83mm.
