bi-fold and sliding doors

Whether you are planning a renovation or a complete new build project, bi-fold or sliding doors can transform an ordinary room into a key feature of the house, giving your home a real wow factor.

An innovative, contemporary design statement that completely opens up your living space and garden for modern living.

Renka bi-fold and sliding doors offer state-of-the-art performance and stunning aesthetics which are available in a variety of materials and sizes.

windows and roof lights

Bring character and style into your home and transform the ordinary into the spectacular with the addition of natural light.

Whether fixed panoramic windows, tilt and turn windows, parallel opening aluminium windows casement windows or a roof window, you can rest assured that they are all designed to offer uncompromising performance and stunning aesthetics.

roof lights and lanterns

More sky. Less roof. Whether you're inside looking up, or outside looking enviously in, a Renka roof puts any property in a class of its own.

Step under an Renka roof and prepare to be amazed. Glazed units simply seem to float in the sky.

Renka's unique system design is super strong, light and creates slim, elegant sharp lines with minimum intrusion whilst retaining excellent thermal performance.

aluminium frame windows

Reinforce the character of your home and allow the light to flood your living space through our range of aluminium contemporary, casement and crittall style aluminium windows, matching the profile of our door and roof light range. All windows are designed to the highest specification to ensure quality and enduring performance.

entrance doors

Create a stylish first impression for your home, workplace or development with one of the new range of Renka doors.

Our doors are thermal efficient and minimise the transmission of cold and hot and greatly reduce noise level.

With a wide range of design, colour, finish and ironmongery options you can either create a unique design statement or match your existing glazing.
